# Clubs & Societies

## 11 January

The Maths Club organises a visit to the Seismological Centre of Cyprus. The students are given a short presentation and are shown how logarithms relate to the well-known Richter scale.

## 17 January

The Current Affairs Club arranges for a 'Walk of Nicosia' through the narrations of Archaeologist-Historian Anna Marangou.

## 19 January

The Art & Design Club participates in the photography competition 'My Cyprus' organised by the Cyprus Weekly. The competition is designed to encourage professional and amateur photographers of all ages to capture the spirit of the island.

## 21 January

The 7th formers' events workshop organises this year's Starry Night auditions.

## 25 January

The members of the maths Club take a journey through the history of cryptography, from the Spartans to World War II and the internet, while also getting the chance to have a go at deciphering an encrypted message.

## 12-15 January

A DOE Silver qualifying hike is held in the Akamas area. Five groups get to practise their orientation and survival skills for the Silver award.

## 17 January

The members of the GCS Volunteers Club, in cooperation with Holy Metropolis of Morphou, launch a charity campaign for the collection of food to be sent to Greece for the preparation of meals for more than 2000 people in need.

## 31 January

The Current Affairs Club organises an event during which young teenagers who had to leave their countries because of war and seek refuge in our country, share their experience with the members of the Club.

# Events & Activities

## 16 January

All teachers attend a seminar regarding the use of ICT in education and on how to effectively use certain educational tools offered by Microsoft in the delivery of lessons.

## 18 January

The Careers Department organises two High Achievers' Workshops for Forms 3, 4 and 5. Guest speaker: Dr Emiliou Solomou.

## 26 January

Form 6 girls and Form 7 boys attend a UCAS presentation in the school Auditorium.

## 27 January

The Activities Committee organises a General Knowledge Quiz Competition to celebrate Greek Education Day. The competition is open to all GCS students.

## 31 January

The following students represent the School in the Mathematics Relay organised by the Cyprus Mathematical Society: Kakouris Yiannis, Stavrinou Savvas, Tanou Christina, Michaelidou Mara, Zivojnovic Markos, Lykourgos Kyriacos, Panayiotou Panayiotis, Pieras Andreas and Iakovou Photini. Teacher-in-charge: Mr George Zannoupas.
